**Selection of Officers
Presentation by Jim Rubovitz**

One order of business will be the voting on proposed officers for the coming year:

Proposed Officers:

Pres: John McCall
VP Bill Beebe
Secy Jim Dewaele
Treas Roger Earle
Board Jim Martish
Board Al Ball

**Presentation
By Jim Rubovitz**

Jim visited a most desirable vacation and fishing venue when he and Pam went to New Zealand.

He spent four weeks there, which included seven days of fishing at beautiful locations on both the North and South Islands of NZ.

Jim's presentation will be a thoughtful and attractive travelogue which should include some caught fish but also will have other things to show us from the fabled isles on the other side of our Earth.

Jim's sense of proportion is such that he will not exaggerate the size and quantity of the fish and will emphasize culture and surroundings (but will include some salmo trutta.)
